ncoh
healthy wildlife and ecosystems

Principal investigators

July 2026

Scientific Director: **Prof. L. Smit, Utrecht University**

Partners

Erasmus MC

Dr. S. Herfst
Viroscience

Prof. T. Kuiken
Viroscience

Dr. R. Sikkema
Viroscience

university of groningen

Dr. F. Jones
Groningen Institute for Evolutionary Life Sciences

Dr. S. Lequime
Groningen Institute for Evolutionary Life Sciences

Dr. P. Pradhan
Integrated Research on Energy, Environment and Society

Universiteit Leiden

Prof. P. van Bodegom
Microbial interactions and diversity

Prof. J. Raaijmakers
Microbial interactions and diversity

Prof. G. de Snoo
Microbial interactions and diversity

Prof. M. de Vijver
Microbial interactions and diversity

Utrecht University

Dr. J. van den Brand
Pathology

Prof. A. Gröne
Pathobiology

Prof. L. Smit
One Health and Environmental Epidemiology

Prof. R. Vermeulen
Environmental Epidemiology and Exposome Science

WAGENINGEN UNIVERSITY & RESEARCH

Dr. F. de Boer
Resource Ecology

Prof. S. Moore
Health & Society Group

Prof. W. van der Poel
- Wageningen Bioveterinary Research
- Animal Sciences

National Institute for Public Health and the Environment, Ministry of Health, Welfare and Sport

Dr. Miriam Maas
Infectious Disease Control

Dr. Marieke Opsteegh
Infectious Disease Control

Dr. C. Reusken
- Infectious Diseases Research
- Diagnostics and Laboratory Surveillance

Dr. B. Rockx
Wageningen Bioveterinary Research

Dr. H. Sprong
- Molecular ecology of ticks and tick-borne diseases
- Centre for Zoonoses and Environmental Microbiology, RIVM

Prof. B. Zwaan
Laboratory of Genetics
