ncoh tackling antimicrobial resistance

# Principal investigators

July 2026

**Scientific Director:** **Dr. A. Zomer, Utrecht University**

## Partners

### Amsterdam UMC

**Prof. F. Hagen**
Medical Mycology

**Prof. T. van der Poll**
- Infectious Diseases
- Experimental and Molecular Medicine

**Prof. J. Prins**
- Internal Medicine
- Infectious Diseases, Tropical Medicine & AIDS

**Prof. C. Schultsz**
Global Health & Medical Microbiology

**Prof. N. van Sorge**
Medical Microbiology & Infection Prevention

**Prof. W. Wiersinga**
- Infectious Diseases
- Experimental and Molecular Medicine

### Erasmus MC

**Dr. J. Severin**
Medical Microbiology and infectious diseases

**Dr. W. van de Sande**
Medical Microbiology and infectious diseases

**Prof. S. Thijsen**
Medical Microbiology and infectious diseases

**Prof. M. Vos**
Medical Microbiology

### Leiden University Medical Center

**Prof. M. de Boer**
Infectious Diseases

**Dr. P. Nibbering**
Infectious Diseases

**Dr. W. Smits**
Experimental Bacteriology

### Radboudumc

**Dr. D. Diavatopoulos**
Medical Immunology

**Prof. M. Hulscher**
Quality of Healthcare

**Dr. J. van Ingen**
Medical Microbiology

**Dr. M. de Jonge**
Pediatric Infectious Diseases

**Prof. M.Netea**
Internal Medicine

**Dr. J. Schouten**
Antimicrobial Stewardship

**Dr. F. van de Veerdonk**
General Internal Medicine

**Prof. P. Verweij**
Clinical Mycology

**Prof. H. Wertheim**
Clinical Microbiology

### UMC Utrecht

**Dr. M. Bootsma**
Medical Microbiology

**Prof. J. Kluytmans**
Julius Center for Health Sciences & Primary Care

**Prof. M. Kretzschmar**
- Health Sciences & Primary Care
- Mathematical Disease Modelling, RIVM

**Prof. S. Rooijakkers**
Medical Microbiology

**Prof A. Verbon**
Internal Medicine

### university of groningen

**Dr. K. Rafie**
Molecular Pharmacology

**Prof. W. Roos**
Moleculaire Biofysica, Zernike Instituut

**Prof. D. Scheffers**
Molecular Microbiology

**Prof. M. Schmidt**
Molecular Pharmacology

**Dr. M. de Vos**
Groningen Institute for Evolutionary Life Sciences

### Universiteit Leiden

**Prof. P. van der Graaf**
Leiden Academic Centre for Drug Research

**Prof. T. Hankemeier**
Analytical Biosciences

**Prof. J. den Hartog**
Molecular developmental zoology

**Dr. C. van Hasselt**
Leiden Academic Centre for Drug Research

**Prof. N. Martin**
Institute of Biology

**Prof. H. Spaink**
Institute of Biology

**Prof. M. Ubbink**
Macromolecular Biochemistry

**Prof. G. van Wezel**
Molecular Biotechnology

### Utrecht University

**Dr. E. Breukink**
Department of Chemistry

**Dr. E. Broens**
Infectious Diseases and Immunology – Virology

**Dr. B. Dutilh**
Biology - Metagenomics

**Prof. R. Gehring**
Veterinary Pharmacotherapy and Pharmacy

**Prof. A. Stegeman**
Farm Animal Health

**Prof. J. Wagenaar**
Infectious Diseases and Immunology - Clinical Infectiology

**Dr. A. Zomer**
Infectious Diseases and Immunology – Virology

### WAGENINGEN UNIVERSITY & RESEARCH

**Prof. H. Smidt**
Microbiology

**Prof. J. de Visser**
Laboratory of Genetics

**Prof. J. Wells**
Host Microbe Interactomics

## Associate partner

### National Institute for Public Health and the Environment, Ministry of Health, Welfare and Sport

**Dr. E. van Duijkeren**
Zoonoses and Environmental Microbiology

**Dr. Antoni Hendrickx**
Bacterial Surveillance and Response
